To: Robert Kuin

Dear Robert,

After great deliberation, I have decided to remove you as my patent attorney. I will advise the USA Patent office. All bills past due will be honoured. I cannot afford a further \$3000 as a retainer. Please be advised that even though duplicate copies of the specification were mailed to Paris, France where I was working, there was no page containing Claim 4 to which the USA Patent examiner objected. I would like a single copy of this page mailed to me at the above address. For USA and UK tax purposes, I would like a receipt for the monies paid in December 2004.

I thank you fulsomely for reviving the patent application.

Yours sincerely,

Denis E. Solomon
